

Holding Your Own ONE Household ONE Hour Prayer Event

One of the exciting ways that you can support OneHousehold is to host a OneHousehold OneHour Prayer Event in your home or church.

Here are some easy steps to host your own event:

1. Pick a time and place for your event.
2. Make sure you have enough room for guests to sit.
3. Have a TV and DVD player available to show the 3-minute video at the beginning of your event.
4. Print out enough prayer guides for each person who is planning on attending.
(Download from www.onehousehold.org.uk)
5. Take some time at the beginning to share how you got interested in reaching out to the households of the Arab World.
6. Ask the group to share what they imagine a household in the Arab World to be like.
7. Talk about how your household and the households of the Arab World are different / the same.
8. Give people time to look over the thirty prayer requests and then open your time of prayer. You can go in a circle or open it up to whoever would like to pray.
9. Finish your prayer time by asking how God has moved people's hearts for the households of the Arab World through this time.

PrayerGuide

The households of the Arab World need your prayers. You may never know some of the specific situations in the lives of those who worship Jesus in secret, but there are many things you can be praying for.

Day 1

Pray for those producing programmes in secret places. Many times they must create make-shift studios in small corners of their bedrooms. Pray for creativity and new ideas as they reach out to their communities.

Day 2

Pray for new believers who have been kicked out of their homes and disowned by their families. Pray for courage in a time of great rejection.

Day 3

Pray for the millions of people who have never heard the message of hope that Jesus brings. Pray that they will be introduced to HCJB Global Voice's programming.

Day 4

Pray for the households of the Arab World who are living in extreme poverty. Pray that they will turn to Christ for their provision.

Day 5

Pray for those households who find themselves in the middle of violence. Whether it is open war, terrorism or simply crime – pray for safety.

Day 6

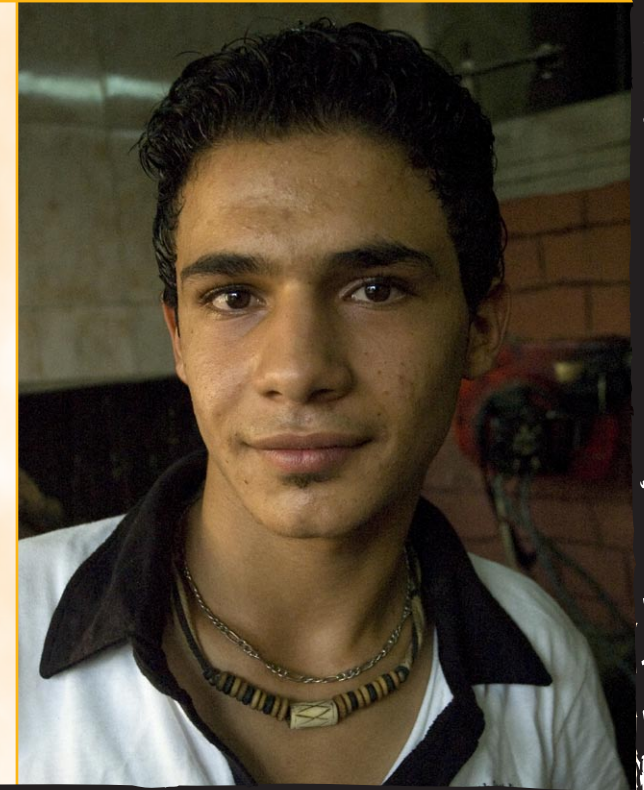

Pray for Arabic-speaking people who are listening to HCJB Global Voice's broadcasts via the Internet around the world. As they go into chat rooms and interact with believers, pray that their hearts would be open.

Day 7

Pray for the equipment that helps local broadcasters record their programmes. Pray that it works well so that they can continue to send their programmes out for airing through satellite, shortwave and the Internet.

Day 8

Pray for women who have received Jesus as their Saviour and are living in homes where their beliefs are not acceptable. Pray for comfort and companionship.

Day 9

Pray for the many men in the Arab World who are out of work or do not have reliable work. This is a significant blow culturally and makes their hearts hard towards the message of hope.

Day 10

Pray for the Bible training held throughout the Arab World. Pray for the safety of the trainers as they travel and that each event will be a safe place where people will learn how to share their messages passionately.

Day 11

Pray for the households in the Arab World where many family members live together. Pray for unity and family connections that will open the doors for the gospel.

Day 12

Pray for young Christian men and women who are looking for a Christian spouse. Many times the families will arrange the marriages without concern for the young person's beliefs.

Day 13

Pray for those living with great injustice. Pray that they will see past the pain and despair of their situations and see an eternal solution in Jesus.

Day 14

Pray for the Christian voices speaking out from the Arab World. Pray that they will communicate clearly and in ways that are relevant to modern Arab cultures.

Day 15

Pray for the new middle class in the Arab World, involved in business and the global economy. Pray that as they have access to information and material things, they will be protected from materialism.

Day 16

Pray for those who listen to HCJB Global Voice's broadcasts through direct-to-home satellite. Pray that those who don't know Jesus would make time to hear what He is saying to them.

Day 17

Pray for those who listen to HCJB Global Voice's short-wave broadcasts – especially in more rural areas. Pray that the teaching would encourage their hearts.

Day 18

Pray for the girls and women in the Arab World who are struggling in difficult situations. Pray that they would put their hope in Jesus.

Day 19

Pray for the tribal and religious conflicts in the Arab World. Pray that those households caught in the middle would be protected and would seek Jesus as their protection.

Day 20

Pray for bravery for those who believe in Jesus. Pray that they will know when to stand up for their faith and when it is wise to take a low-key approach.

Day 21

Pray for those who are in jail for their faith. As they sit in prison, pray that they will receive the peace that only Jesus can provide.

Day 22

Pray for those struggling with the rising cost of food worldwide. Pray that they will have the nourishment they need to live healthy lives.

Day 23

Pray for those listening to HCJB Global Voice broadcasts in secret. Pray that they will have the time alone to listen and that they will be able to connect with others who believe.

Day 24

Pray for patience as HCJB Global Voice staff wait to hear from listeners. Pray that we will trust God for the results of these messages of hope.

Day 25

Pray for those in the Arab World who hold positions of importance and also hold a faith in Jesus. Help them to know how to use their influence for Him.

Day 30

Pray for your church that you can be a catalyst to create a passion for the Arab World in those you worship with.
